

# THE CHILDREN'S CAMPUS OF CHAPEL HILL

## JUNE NEWSLETTER

### ROOM 3

Dear Parents:

We begin our summertime fun by learning all about reptiles and their unique characteristics. During our second week, we will celebrate our fathers, grandfathers and uncles. Our class will talk about all the wonderful things these men do for us and our community. During the third week in June, we will explore the season of summer and its specific weather changes, clothing and activities. During our final week, we will learn all about the Fourth of July, America's birthday celebration, with the theme "Red, White & Blue". We will also continue to review our letters and numbers each Wednesday.

Thank you for your continued support,

Ms. Deborah & Ms. Angela

#### Weekly Themes:

June 5 – 9:	Reptiles
June 12-16:	We Love Our Fathers!
June 19 – 23:	Summertime Fun
June 26 – June 30:	Red, White & Blue

#### Home Connection:

- \*Help us connect our themes from school to home by discussing fun summertime activities with your child.
- \*Please send in a picture of the special men in your child's life (fathers, grandfathers and/or uncles).
- \*Please feel free to bring in any special books that relate to our themes this month.

#### Reminders:

We will be closed for Summer Break July 3 - 7.  
Have a wonderful time with friends and family.
