

# THE CHILDREN'S CAMPUS OF CHAPEL HILL

## JUNE NEWSLETTER

### ROOM 5

Dear Parents:

This June, we will enjoy some of our favorite seasonal themes, as well as some fun holiday themes. We will begin the month with four days of Fairy Tales. This theme is always a lot of fun for the children. During the second week, we will be learning all about reptiles. I'm sure this will be another favorite theme for the children. The third week, our theme will be very special because we will be honoring our fathers and the other special men in our lives. After our Father's Day theme, we will jump into Summertime Fun and then we will wrap up the month by celebrating Independence Day. Since June will be a transitional month with several departures and arrivals, open court time will be spend re viewing letter sounds and learning poems related to our weekly themes. We look forward to teaching your children and helping them learn as we have fun exploring these themes!
