

THE CHILDREN'S CAMPUS OF CHAPEL HILL

JUNE NEWSLETTER

ROOM 6

Dear Parents,

This June, we will celebrate the beginning of summer with some exciting seasonal themes.

We will start the month by learning about folk tales and fairy tales. Our second week will allow us to celebrate our fathers as we prepare for Father's Day. For the third week, we will have lessons about building and construction. We will finish the month of June learning about why we celebrate the fourth of July.

In Open Court, we will begin learning poems related to each theme as well as continuing to learn letter sounds, new rhymes or word families and adding to our sight word vocabulary.

Be sure and watch your email for details on graduation this month!

We're excited for our summer!

Ms. Holly, Ms. Lori, & Ms Carolyn
