

**THE CHILDREN'S CAMPUS
PRE-K
JUNE NEWSLETTER**

Dear Parents,

We welcome all the new children and parents to classroom 10. We are excited to start a new school year with you all. Let us know if you need any help with adjustments into the new classroom with your child.

We will start the month of June helping the parents and the children with **TRANSITION**. The new children will be learning new rules, schedule and different centers in the classroom. The teachers will help them adjust to the new routines and all the changes. We will be making cards for the **FATHERS** and sharing things we like to do with them. We will be learning and discussing the different ways people use to travel on land with **TRANSPORTATIONS: CARS AND TRAINS**. We will share what our parents use to go to work or take us to school. We will be discussing what we would do when we go on **VACATIONS** with our families. We can share places we would go or want to go and what types of activities we would like to participate in.

Let us know how we can help you and your child to have an easier transition into the new classroom. We are looking forward to a great school year. Welcome class of 2018!

The Pre-K Teams

Weekly themes:

June 5-9	Transition
June 12-16	Fathers
June 19-23	Transportation: cars/trains
June 26-30	Vacations

Home Connection:

- * **Practice saying the alphabet from A-Z**
- * **Check your child's cubby and making sure he/she has change of clothes**
- * **Check with the teachers and making sure your child's allergy and birthday are correct.**

Reminders:

Children's Campus will be closed for summer break July 3rd – 7th. Have a safe and happy July 4th!
