

THE CHILDREN'S CAMPUS
ROOM 12
AUGUST NEWSLETTER

Dear Parents,

This is the last month of summer. Fall is right around the corner; another school year is about to begin. Summer Camp has been wonderful; we had a lot of fun. We have enjoyed working with all of you. Your children will be missed. We wish them the best as they move on to kindergarten.

This month we will learn about sports and transportation. Sports are good for young children's health. We will be exploring balls used in different sports. Transportation involves automobiles, trains, boats and planes. Children see them daily. They are interested in them. We will talk about what to expect in kindergarten.

Welcome to our NC-Pre-K parents and students. We want to welcome you to Children's Campus. We are happy to have you in our class. This week we will be exploring our classroom and learning about rules and routines in school.
