

THE CHILDREN'S CAMPUS
ROOM 8
SEPTEMBER NEWSLETTER

Dear Parents,

Welcome to our Pre-K parents and students! We want to welcome you to Children's Campus. We are happy to have you in our class. This month we will continue to explore our classroom. We will go over rules and routine, we will learn about different centers and how we play in them. We will learn about logical consequences and what to expect socially and academically. Our hope is that everyone will learn to work independently. Math and science will be introduced and various activities involving these core subjects will be implemented throughout the year. Lastly, we will learn about ourselves and our families.

As we meet new friends at school we will be learning to take turns, cooperate, work and play together. We will become more aware of what a friend is and activities friends can do together. Moreover, the children will learn the importance of pro-social behavior.

If there is any way we can assist you and your child with transitioning into school, please feel free to discuss it with us.

We are excited about our time together.

Ms. Thelma and Ms. Tameka

Weekly Themes:

Week August 28-Sept. 1	Theme: Welcome to School
Week September 4-8,	Theme: Rules and Routines
Week September 11-15	Theme: Overview of Centers
Week September 18-22, 2017	Theme: Independent Work
