

THE CHILDREN'S CAMPUS
PRE K PROGRAM: BEACH ROOM
SEPTEMBER NEWSLETTER

Dear Parents,

Happy September! We had so much fun learning about Summer, Water Transportation, Camping, and Treasure Hunting in August.

During the month of September, we have some exciting themes to talk about. They are: Back to School, My Family, Fall, and All About Me. Please feel free to bring in any theme related books.

We will also be starting the Open Court Reading Program to better prepare the children for Kindergarten. The children will be learning sight words, letters, and sounds that each of them make. The children will also learn about vowels and parts of a book like author, illustrator, front cover, back cover, and dedication page. The children will also be doing weekly writing.

We look forward to an exciting year of learning and preparing the children for Kindergarten. Thank you for your continued support!

Ms. Lynn & Ms. Donna
