

THE CHILDREN'S CAMPUS

ROOM 3

SEPTEMBER NEWSLETTER

Dear Parents,

Ms. Cindy is very happy to be a new addition to room 3. We are slowly moving away from the hot summer months and into fall.

This month we will explore and learn about My Family, Pets, My Friends and Leaf, and Apples. The theme My Family is aimed to get our friends to have a better understanding of his or her family. We will talk about each friend and his or her family. Pets are another topic that is great for our young friends. Our friends will be learning about some common pets. Aside from My Family and Pets, My Friends is also an important topic. Learning and understanding about friends are essential because friends come in different ethnicities and sizes. When we think of September we will often think of apples. Apple is a must talk about topic during the month of September. Our friends will get a chance to learn that apples can come in red, yellow and green. We will do some apple prints during art.

We are looking forward to an exciting month of September!
