SEPTEMBER NEWSLETTER

Dear Parents,

It's the month of September.

We will begin the month talking about My Family and Homes. We will explore pictures of our family. After exploring about our families we will learn All About Me/ Emotions. What kind of emotions do we express throughout the day? (Happy. Sad, Surprised, Angry).

After we have learned about our families and each other, we will explore our 5 senses, touch by feeling different items, smell by sniffing different scents, taste with a lemon, sight by looking all around the classroom, and hearing by listening to the sounds surrounding us.

Lastly we will look at the different animals that can be our pets.

We will enter the season of Fall soon. During this time please check your child cubby for appropriate clothing

Thank you for making ours days awesome by letting us be a part of your child's learning environment.
