

THE CHILDREN'S CAMPUS
PRE-K
SEPTEMBER NEWSLETTER

7317Dear Parents,

We will start the month of September discussing things that is **ALL ABOUT ME**. We will be sharing things like, favorite toys, favorite colors, favorite foods, and what we like to do in school and out of school. We will be talking about members of our families and how many pets we have and what kind during the week of **FAMILY AND PETS**. The children can bring in pictures of their pets to show to their classmates during circle time. We will be learning about **MY 5 SENSES** and how we use them every day and why they are important to have. We will be doing a taste test to tell the differences between salty, sweet, and sour. We will be picking different types of herbs from the garden and do a test with the sense of smell. We will be learning about the different types of **COMMUNITY HELPERS** and their jobs. We will be sharing what kind of jobs our moms and dads does at work each day. We would like our parents to come in and share to the class what kind of jobs they have and how they contribute to the community.

We will be starting Carolina Profiles and Open Court Reading. We will be working on each letter of the alphabet and learning to trace and write them. You can practice with your child on writing their first name at home in upper and lower-case letters.

The Pre-K Teams
