

**THE CHILDREN'S CAMPUS**  
**TWO YEAR OLD PROGRAM: SKY ROOM**  
**SEPTEMBER NEWSLETTER**

We are so pleased to inform you that we are having so much fun in the SKY room! Our Curriculum is interesting and creative with real life experiences!

We begin the month with the **5 Senses**. We will learn that exploring the world around us is very important –children live in a world of senses! The world is color, size, dimension, shape, form sound, touch, tastes, and smell! Taking one sense at a time, the child is awakened to the sensory world which will help in other learning areas.

All children are intrigued by **Dinosaurs** so we will spend an entire week devoted to them! The children will learn the size and the food that dinosaurs eat as well as how they walk, crawl, stomp, and make those infamous dinosaur sounds!

**Rainbows** is, of course, a study of color so we will spend the week immersed in color recognition!

We will end the month with **Bugs!** We will hunt for caterpillars, butterflies, and lady bugs throughout our classroom and outside!

September will be a month of fun!

*Ms. Marlene & Ms. Dametrius*

**Weekly Themes:**

September 4 - 8:	5 Senses
September 11 – 15:	Dinosaurs
September 18 - 22:	Rainbows
September 25 – 29:	Bugs

**Home Connection:**

Driving to school each morning how many of your senses can you use? Do you *hear* the horns beeping? Can you *see* the trucks? What do you feel in the car? Any smells of Fall? Can you already *taste* Mr. Sheldon's yummy cooking?

**Reminders:**

Monday, September 4<sup>th</sup>: Children's Campus will be closed in observance of Labor Day.

Thursday, September 7<sup>th</sup> : Join us for our Curriculum Night for the Two Year old Program!
