

THE CHILDREN'S CAMPUS
ROOM 4
SEPTEMBER NEWSLETTER

Dear Parents,

August was such a great month, we had so much fun talking about Forest Animals, Camping, Picnics, and Sports. It is so amazing to watch each child grow and learn so much. This month we will talk about **Yellow School Bus, My Five Senses, Community Helpers and All About Me.**

We will start the month off by talking about a **Yellow School Bus.** During this week, we will make a bus out of shapes. We also will be watching for a bus to go by outside.

Next, we will discuss **My 5 Senses.** We will go through all our senses from touch, hear, smells, see and taste. We will explore coloring on sandpaper to see the texture difference. We will have a tasting of sour and sweet foods. We will chart the class favorites and their least favorite.

The next week we will talk about **Community Helpers.** We will talk about the way community helpers help us. Can you name a community helper? We will be making a fire truck out of shapes. The children will be acting out being community helpers in the dramatic play area.

Finally, we will talk about **All about Me** what makes us each special.

Mrs. Brittany and Ms. Courtney
