

THE CHILDREN'S CAMPUS OF CHAPEL HILL

JUNE NEWSLETTER

ROOM 4

Dear Parents,

We are looking forward to June's warm days and celebrating the start of the summer season!

We begin our summertime fun by learning about reptiles.

During our second week, we will be focusing on our fathers and all the wonderful things they do for us each day.

The third week of June will be spent discussing and exploring the season of summer; its specific weather, clothing and activities.

The final week of June, we will learn about the Fourth of July, America's birthday celebration, with the theme, "Red, White & Blue".

Thank you for your continued support of our class!

Ms. Jamie & Ms. Lynn

Weekly Themes:

June 5 - 9:	Reptiles	R
June 12 - 16:	Father's Day	F
June 19 - 23:	Summer Fun	S
June 26 - June 30:	Red, White & Blue	A

Home Connection:

This would be a great month to visit the Museum of Life and Science and see the animals we are discussing up close.

Read About It: Sharing books about numbers, shapes, and counting opens the doors to even more math learning, especially when you stop to talk, ask questions and invite participation. Here are just a few of the great new books for children that can foster math learning:

"Inch by Inch" by Leo Lionni

"A Frog in the Bog" by Karma Wilson

"Daisy 123" by Peter Catalanotto

"The Doorbell Rang" by Pat Hutchins

"Pete the Cat and his Four Groovy Buttons" by Eric Litwin

"Skippyjon Jones Shape Up" by Judy Schachner

Reminders:

*Please remember that toys from home are not allowed at school. Toys from home can cause conflicts with friends that are avoided when the toys are left at home.

*Please check your child's cubby to ensure their extra clothing is appropriate (and complete) for our summer weather. Please include a sweater or sweatshirt for our air-conditioned classroom.

***Summer Break: July 3 - 7**
