

THE CHILDREN'S CAMPUS
MS. MARIBEL AND MS. WAH
JUNE NEWSLETTER

Dear Parents,

It's hard to believe it is June already! We are so thankful for the opportunity to guide your child's learning and development.

This month we are going to explore a lot of fun themes such as, **Fairy Tales, Nursery Rhymes, Celebrate Dad and Play Ball!**

We started our first week with the unit of **Fairy Tales**. The children enjoyed listening to classic fairy tales such as Goldilocks and The Three Little Pigs and spins on classics in Falling for Rapunzel.

On the second week, we explore **Nursery Rhymes**. This theme incorporates shapes and colors and a good amount of music and movement.

Coming next, we **Celebrate Dad**. Our children will get to share all the ways their Dads are awesome and bring home something special just for them.

Last up for the month of June is **Play Ball**. Our class will explore different games that use balls. We will integrate positional words, shapes and math while having a *ball* with balls!

Ms. Maribel has now been joined by Ms. Wah in this classroom. They continue to work on potty training with children who are ready, so if there are any special instructions or feedback, please let us know!

Stay Safe!
