

Dear Parents,

As we say hello to June, it's hard to believe we are halfway through 2020! We welcome the sunshine and warm temperatures and lots of outside time!

This month's themes in the three-year old room are **Woodland Animals, Camping, Celebrate Dad** and **Beach**. Please feel free to send in any theme related books.

Our first week, we explore different **Woodland Animals**. First, we define what the woodlands are, then talk about the animals that inhabit that area.

Since our room is already in the woods, we expand that theme the following week with **Camping**. Our class will count fireflies, make bark rubbings and end our week with a special camping treat!

For our third week, we **Celebrate Dad**. Children will talk about all the ways our Dads are awesome and come home with a gift for Dad.

Lastly for the month of June, we focus on the **Beach**. Children enjoy exploring all the sea animals and sights, sounds and smells of the ocean.

We look forward to another exciting month!! If you have any concerns or questions, please don't hesitate to ask.
