

THE CHILDREN'S CAMPUS
MS. KEEYATTA & MS. MIRIAM
MARCH NEWSLETTER

Dear Families:

Happy March! We have tons of fun activities planned for the upcoming month, and we cannot wait to get started. If you would like to help with our themes in anyway, please let us know. We would love for you to share books and/or activities.

Our first theme will be **Curious George** week. We will read all about curious George and the mischief that he gets into. Inspired by the book, we will write our own version of Curious George, and see what kind of mischief our Curious George can get into.

Fairy Tales will be our second theme of the month. We can't wait to kiss a frog or follow the crumbs into a land far far away. We also find out the true meaning behind the Boy Who Cried Wolf.

Our third theme will be about **weather**. This theme is always a class favorite, with so much to offer. We will be talking about how we get rain and different storms such as hurricanes and tornados. This theme also opens us up a lot of fun science experiments to increase our knowledge of weather.

Last but not least we have Lions, tigers, and bears, oh my!

The zoo will be our last theme. From fast swinging monkeys to slow climbing sloths. We will learn about all the animals in the zoo. We will also have a great time with gross motor activities, pretending to be zoo animals!

If you have any questions please do not hesitate to ask,

Thank you!

Ms. Keeyatta & Ms. Miriam

Weekly Themes:

March 2-6: Curious George

March 9-13: Fairy Tales

March 16-20: Weather

March 23-27: Zoo

Home Connection:

Please continue practicing alphabet letter and sounds at home. Also, please practice with your child how to introduce himself/herself ("I am <first name><last name>") This combined learning at school and at home will foster the best understanding of these concepts.

We encourage you to talk to your child about our themes and letter of the week; this helps reiterate what they are learning here at school.

Reminders:

- *Please make sure your child has weather appropriate change of clothes in his/her cubby.*
- *Please keep toys from home at home, we love to see them, but we have plenty of toys to play with here. We don't want home toys getting lost/broken.*
