

Dear Parents,

As we say hello to June, it's hard to believe we are halfway through 2020! We welcome the sunshine and warm temperatures and lots of outside time!

This month's themes in the PreK room are: **Treasure Hunt, Beach, Celebrate Dad** and **Summer**. Please feel free to send in any theme related books.

Our first week, using a **Treasure Hunt** theme, was filled with pirates and treasure hunting. This is a great theme to work on map reading and positional words. Counting gold coins is a fun way to practice math.

Next up, we have the **Beach**. Since we are currently only using the Beach PreK room, we have no problem getting in the spirit! Children enjoy exploring all the sea animals and sights, sounds and smells of the ocean.

For our third week, we **Celebrate Dad**. Children will talk about all the ways our Dads are awesome and come home with a gift for Dad.

Lastly for the month, we will explore **Summer**. Children will talk about summertime activities and have a special summer treat.

We look forward to another exciting month!! If you have any concerns or questions, please don't hesitate to ask.
