

# THE CHILDREN'S CAMPUS PRE - K NOVEMBER NEWSLETTER

Parents,

The season of sweater weather is once again upon us. We are really heading into the home stretch for 2020.

This month we will start out with a unit on **Healthy Foods**. Eating healthy is so especially important. We will discuss what foods are healthy and why they keep our bodies strong.

What is **Dental Health**? Have you been to the dentist? What is the dentist looking for when he looks at your teeth?

What animals will we see on a **Farm**? There are many farms that grow vegetables and fruit. The children will enjoy listening to stories about farms.

The week of **Thanksgiving** will be a short week for us. Do you have any special foods you like to eat for Thanksgiving? Does your family have any special traditions?

The last theme for the month will be **Colors Gifts and Lights**. During this week we will talk about the different colors, gifts, and lights we will start to see in our homes.

We are looking forward to a busy month of learning and fun. If you have any books at home that you would like to share with the class, that will follow any of our weekly themes that would be great.

The Pre K Teams

## Weekly Themes:

November 2 – 6      Healthy Foods

November 9 – 13      Dental Health

November 16 – 20      Farms

November 23 – 27      Thanksgiving

November 30 – December 4      Colors, Gifts and Lights

## Home Connection:

- Practice saying the alphabet from A-Z
- Check your child's cubby and making sure he/she has a change of clothes for the cooler weather.
- Read a bedtime story at least three times a week.

## Reminders:

We will be closed November 26 -27 in observance of Thanksgiving.

Disney books and stories which, contain weapons or violence are prohibited in the classroom.
