

## The Children's Campus Room 4

Dear Parents,

We are looking forward to starting the month of November. We have lots of fun and learning planned for the next few months.

We will start the month off by introducing farm animals and talking about all the sounds these animals make along with reading and singing aloud to Old Macdonald Had A Farm and Who Says MOO?.

What are some of your favorite farm animals?

Fruits, Veggies, Thanksgiving, Turkeys, and Seasons are some of the other things we will explore later in the month. What are your favorite fruits and veggies? What are the four different seasons?

Lastly, as we welcome a new month we will be welcoming some new friends. Yay! As always if you have any questions please feel free to ask and remember you can always call the school and we will be able to speak to you directly.
