

THE CHILDREN'S CAMPUS
Room 5
NOVEMBER NEWSLETTER

Parents,

Welcome November, only two more months of 2020! We are looking forward to a month of learning and fun.

The first theme will be FARMS. What animals live on a farm? Do you have a favorite farm animal and why? The children will have fun building a barn in the block center and adding farm animals.

We will make a class list of the HEALTHY FOODS that everyone likes. Do you think vegetables and fruit are healthy foods?

The children will have fun playing Simon Says learning BODY PARTS. We will make pictures using our fingerprints. We will also listen to stories about our body.

What traditions does your family have for Thanksgiving? Does your family have any special foods that everyone likes to eat? We will be making colorful turkeys to hang up in the classroom.

Gobble Gobble

Ms. Monica and Ms. Natasha

Weekly Themes:

November 2 – 6	Farms
November 9 – 13	Healthy Food
November 16 – 20	Body parts
November 23 – 27	Thanksgiving

Home Connection:

We have been talking about what healthy foods are and why they are good choices.

Do you have any special traditions for the Thanksgiving holiday?

Reminders:

Children's Campus will be closed for the Thanksgiving holiday November 26 and 27.

Please make sure your child has a complete change of clothes.
