

THE CHILDREN'S CAMPUS
ROOM 7
NOVEMBER NEWSLETTER

Parent's,

Can you believe that it is already November, and next month we will be getting ready to spread the holiday cheer. Time really does fly when you are having fun.

We will start out the month with a unit on the FARM. What goes on at a farm? Are there different types of farms and what kind of animals will you find at a farm?

HEALTHY FOODS, what would be a healthy food? Why are healthy foods important? We will make a class list of healthy foods.

OUR BODIES, this week we will be talking about the different parts of our body. Why is it so important to take good care of your body?

We will finish the month with a week about THANKSGIVING. What do people usually eat for Thanksgiving? Why do we celebrate Thanksgiving?

As the holidays are getting closer, we will have even more fun activities in store. Gobble Gobble and let the fun begin.

Thank you,

Mrs. Chryis and Ms. Brittany
